Your Honor:

I represent Co-Defendant Betty Craven in the above-referenced matter, which is set for a conference on November 13th, 2007.

I am requesting at this time that Ms. Craven be exempted from personally appearing for this matter for the following reasons:

1. It is a brief Status Conference, and her presence would not substantively affect the proceedings, and would be prohibitively expensive for her
2. She is under pre-trial release and involved in an intense rehabilitation program, and to leave at this time could have a negative effect on her recovery process
3. The United States Attorney in this matter, Jenna Dabbs, is aware of all of this and gives her consent that Betty Craven's attendance should be waived in this matter.

Sincerely,

Philip C. Popa
